

Grandparent Caregiver Emergency Information

Printable child handoff for grandparents and kinship caregivers

Who this printable is for

For grandparents, parents, guardians, backup caregivers, and trusted child caregivers.

Emergency information to organize

- ☐ Parent or guardian contacts, grandparent caregiver, and backup contacts
- ☐ Child medications, allergies, pediatrician, specialists, and pharmacy
- ☐ School or daycare contacts and family-provided pickup or emergency notes
- ☐ Caregiver notes, comfort notes, supplies, and document locations
- ☐ Pointers to official forms, labels, care plans, school forms, and legal documents

Contacts and quick locations

Parent/guardian:

Grandparent caregiver:

Pediatrician/school:

Documents kept at:

Handoff notes

Use this sheet for family-provided contact and location notes. Do not use it for medical treatment instructions, medication dosing, custody advice, school policy claims, or legal interpretations.

Update reminder

Review after parent, guardian, caregiver, pediatrician, school, daycare, medication, allergy, pickup-note, routine, or document-location changes.

Privacy and safety note

Organization only. Not medical advice, legal advice, custody advice, guardianship advice, or school policy guidance. Does not replace 911, EMS, clinicians, pediatrician guidance, labels, care plans, school forms, custody/legal documents, portals, or professional guidance.
